

June 2021

Welcome to the Life Change Care Magazine!

Welcome to our June 2021 issue!

We continue to invest in the skills and competencies of our staff, and I am delighted to report that there were 122 training courses completed by the team throughout May. This included our latest staff induction training courses on the Moodle platform.

As restrictions ease, we have begun to indulge in social activities. The Booth House team recently "enjoyed" an afternoon at a local escape room with two of the children and the Administration team will be spending the day on the Leeds – Liverpool canal later this month. They will take the barge to Barrowford for a picnic before returning to Reedley Marina.

I am particularly looking forward to Pennine View's cupcake day on 17th June.

Best regards,
Phil Stirpe, Group Managing Director
